

TEENY TOES DANCE

Step into the imaginative world of dance with our Teeny Toes dance classes at Bridgetown School of Performing Arts.

In our Teeny Toes classes, we believe in more than just teaching dance, we offer the opportunity for little ones develop and grow creatively! Our fun, nurturing classes support early development by building coordination, motor skills, and spatial awareness through movement and music. Each session encourages the child-parent attachment, self-expression, confidence, and creativity in a fun and play base learning environment

Designed especially for little ones aged 2 to 4 years, our classes introduce the basics of ballet, jazz dance, music and creative movement, in a nurturing and playful environment. Through imagination, and movement, your child will develop coordination, confidence, and a love for dance, all while making new little friends!

TEENY TOES DANCE

Teeny Toes Dance Classes (Ages 2-4)

Welcome to Teeny Toes Dance, a magical dance experience designed to nurture your little one's **creativity, confidence and development!** Perfect for children **aged 2 to 4**, these classes introduce the basics of ballet, jazz, music and creative movement in a fun, supportive, and imaginative environment.

Parent Participation

At Teeny Toes, we believe that dance is a shared journey for our little dancers. That's why we design our classes for **parents or carers to participate** in and join in to support their little dancers in class! Your presence and engagement not only provides emotional support but also strengthens the parent-child connection, creating special moments of joy as you twirl, leap, laugh and learn together.

Each class is thoughtfully designed to:

- Foster confidence and self-expression through playful dance activities.
- Build coordination, balance, and motor skills with age-appropriate movements with a developmental focus
- Spark imagination through storytelling, music, movement and props.
- Cultivate a lifelong love of dance in a safe, inclusive, and welcoming space.

Dress-Up Fun!

Teeny dancers are **welcome to wear their favourite dress, tutu, or costume to class**, allowing them to express their unique personality and creativity.

From pretend fairy forests to magical garden picnics, every session is an adventure. Whether you're holding their hand as they practice their first plié or dancing together in a circle with dancing friends, your involvement will inspire and encourage your little one to feel confident in class and to shine.

We invite you to be part of this exciting chapter in your child's development.

Together, we'll celebrate every little step and every big smile!

We look forward to welcoming you into our **Teeny Toes family at Bridgetown School Of Performing Arts** and create special memories together.

Classes do fill and enrolment is essential. For additional information or to enrol please visit www.bsipa.com.au or contact us at admin@bsipa.com.au
