Corner or Lockely Avenue & (12)
Hester St, Bridgetown WA 6255

Please Note : Classes are organised by year groups; however, in certain situations, **students may be invited to join classes based on their skill level.** Conversely, students may also remain in the same class to ensure they are keeping up with the expected progress for their year level. As we finalise student enrolment numbers, the **timetable may be adjusted.** Occasionally, it may be necessary to combine broader age groups within classes to ensure sustainability. We will strive to place students in the class that best matches their skill set. If any changes to class timetables are made, both parents and students will be notified in advance.

Thank you kindly for your understanding.
