Fee Payment Information

Dance Fees Payment Policy

We are grateful to all of our students for attending and our families / carers who make this a possibility.

Fees cover the significant costs involved in running classes including teacher wages, equipment, venue hire, music rights, insurance, utility bills, administration times, printing and class materials just to name a few.

- A \$50 Annual Registration Fee per family will be applied upon all new enrolments / students. This fee is required for all new students joining throughout the year and will need to be renewed at the start of each new dance year. Please Note this excludes Teeny Toes & Adults Ballet students.
- Our dance fees are based on our dance school terms and will reflect the variations in term lengths through out the year
- Dance fees are due during first week of Term commencement and a late fee may incur if not paid by the due date, unless discussed agreement / payment plan with the school is made prior.
- There are no refunds for missed classes. If students are unable to attend or observe their classes for an extended period of time (3 consecutive weeks or longer) due to injury/illness or for compassionate reasons please contact BSPA. In this situation, term fees will be reviewed on a case-by-case basis to see if we may be able to offer a refund.
- Refunds are not offered for term fees due to change of mind, extended holidays, social engagements (unless agreed upon)
- Fees are non-transferable to another term or student.

Thank you so much for your understanding!
